The refund policy is subject to the Tobilet terms and conditions (<https://tobilet.pl/regulamin-sklepu>), in particular § 8. Refunds for Tickets and Parking Tickets;

1. If it is not possible to use the Ticket or Parking Ticket for reasons attributable to the User or Event participant, it cannot be exchanged for another Ticket or Parking Ticket, respectively, and TOBILET.PL shall not refund the amount due for the unused Ticket or Parking Ticket, even if such a request was made before the start of the Event or, in the case of a Parking Ticket, before the start of use of the Parking Service. If the User has concluded an Insurance Agreement, this agreement regulates the conditions for the payment of compensation by Colonnade (i.e. the insurance company that is a party to the Insurance Agreement) in the case of the inability to use the Ticket and Parking Ticket (if it was purchased together with the Ticket and applies to the Event for which the Ticket was purchased).

2. Except for the cases specified in sections 3-4 below, Tickets and Parking Tickets may only be returned if provided for in the Event regulations, exclusively within the scope and under the terms and conditions described in those regulations.
3. In the case of cancellation of an Event organised by TOBILET.PL, or a change in the date, time or venue of such an Event, TOBILET.PL shall immediately notify the User of this fact by sending an e-mail to the User's e-mail address. In the case of cancellation of such an Event, TOBILET.PL shall refund the User the price of Tickets and Parking Tickets together with any fees paid to TOBILET.PL in connection with the purchase of such tickets within 14 days of the date of cancellation of the Event. However, in the case of a change in the date, time or venue of such an Event, TOBILET.PL may offer the User, at no additional charge, a Ticket and Parking Ticket (if the User has purchased a Parking Ticket) for the same Event, but with a changed date, time or venue, or a Ticket and Parking Ticket (if the User purchased a Parking Ticket) for another Event, and if the User is not interested in such an exchange of tickets, TOBILET.PL will refund the User the price of the Ticket and Parking Ticket (if the User purchased a Parking Ticket) together with the fees paid to TOBILET.PL in connection with the purchase of these tickets within 14 days from the date of the User's request in this regard to the e-mail address [info@tobilet.pl](mailto:info@tobilet.pl), together with the data allowing the identification of the Ticket and Parking Ticket, e.g. ticket number, transaction number. The request for a refund of the price of Tickets and Parking Tickets referred to in the previous sentence must be submitted within the time limit specified in the e-mail sent by TOBILET.PL, with the proviso that in each case this time limit shall not be shorter than 14 days.
4. In the case of cancellation of an Event not organised by TOBILET.PL, or a change in the date, time or venue of such an Event, TOBILET.PL shall notify the User of this fact by email immediately after receiving such information from the Organiser. In the case of cancellation of such an Event, TOBILET.PL shall refund the User the price of the Ticket and Parking Ticket (if the User has purchased a Parking Ticket) within 14 days of receiving funds for this purpose from the Organiser and within the scope of these funds. This is due to the fact that if TOBILET.PL is not the Organiser, TOBILET.PL only acts as an intermediary in the process of refunding the price of the Ticket and Parking Ticket by the Organiser to the User. The above does not exclude the User's right to claim other amounts from the Organiser if the Organiser is obliged by law to pay them to the User. However, in the case of a change in the date, time or venue of such an Event, TOBILET.PL shall refund the User the price of the Ticket and Parking Ticket (if the User purchased a Parking Ticket) within 14 days of receiving funds for this purpose from the Organiser and within the scope of these funds, if the User requests a refund of the Ticket and Parking Ticket (if the User purchased a Parking Ticket) by sending an email to [info@tobilet.pl](mailto:info@tobilet.pl), providing details allowing the Ticket and Parking Ticket to be identified, e.g. ticket number, transaction number. The above does not exclude the User's right to claim other

amounts from the Organiser if the Organiser is obliged by law to pay them to the User. The request for a refund of the Ticket and Parking Ticket referred to in the previous sentence must be submitted within the time limit specified in the e-mail sent by TOBILET.PL, referred to in the preceding sentence, with the proviso that in each case this time limit shall not be shorter than 14 days.

5. Refunds for Tickets and Parking Tickets, and in the case of Events organised by TOBILET.PL, also refunds for Service Fees, will be made by TOBILET.PL using the same method of payment as used by the User.
